

Induction Days are usually a great opportunity to visit your new class, and to get a feel for what that class will be like in September.

We still want you to experience these things, but we will be doing it a bit differently this year.

We hope that this presentation will give you a flavour of your new class.

It includes photographs from the classroom and a picture of your teacher / adults working in your learning phase so there are several friendly faces for you to be familiar with already!

We hope you will enjoy your virtual presentation.

If you have any questions or worries, please contact your new class teacher via the school office ([office@coldharbour.milton-keynes.sch.uk](mailto:office@coldharbour.milton-keynes.sch.uk))

We will give you a phone call back as soon as possible.

**Welcome to  
Kingfisher Class.**

# Here's your classroom.

## Friendly faces

Miss Horvath is your Class teacher

Mrs Scanlan and Mrs Ellis who are here to support you in the classroom.

Mrs Arrand our Learning Mentor

I love day trips,  
especially to theme  
parks. I go on all the  
fastest rides!

I love to bake! I enjoy  
reading cookbooks and  
making special meals  
for my family.

We have 3 pet cats  
called Eric, Ariel and  
Belle. Eric was a stray  
but he is the friendliest  
cat!

# All about me.

I enjoy walks along the  
beach when I visit my  
Mum, who lives at the  
seaside.

I enjoy reading, but  
mostly I read with Alex,  
not my typical crime  
novels!

My favourite take away  
is pizza! I love most  
toppings. But my  
FAVOURITE food is ICE-  
CREAM!

TRUST  
HONESTY  
THANKFULNESS  
RESPECT  
TALK  
TO MY  
GOD  
FAITH

# How can I prepare myself during the holiday?

Most of you have had a long time away from school and may be feeling a little anxious about returning. Please don't worry. Everyone in school understands that you have had time away.

Think of all the things you have enjoyed at school previously. You could write down a list of your strengths and what you are looking forward to doing next year.

Try to get in contact with friends who you haven't spoken to for a while. Perhaps you could arrange a meet up outside - this can help to settle any worries you may have.

Keep doing little bits of learning throughout the summer holidays.

- Continue to practise your multiplication and division and spellings.
- You could do a project on a topic you are interested in or your own 'All about Me' page like the teachers and send it to us via email/google docs.
- Most importantly keep reading! Write a log of all the books you read and send it to your teacher. How about joining in the Summer Reading Challenge?
