

Induction Days are usually a great opportunity to visit your new class, and to get a feel for what that class will be like in September.

We still want you to experience these things, but we will be doing it a bit differently this year.

We hope that this presentation will give you a flavour of your new class.

It includes photographs from the classroom and a picture of your teacher / adults working in your learning phase so there are several friendly faces for you to be familiar with already!

We hope you will enjoy your virtual presentation.

If you have any questions or worries, please contact your new class teacher via the school office (office@coldharbour.milton-keynes.sch.uk)

We will give you a phone call back as soon as possible.

**Welcome to
Sparrow class.**

Here's your classroom.

The layout of the classroom may look a little different in September. We are getting ready for our Fire! Fire! Topic.

This is our outdoor area which we will use for learning and play.

Friendly faces

Mrs Bundy is your Class teacher.

Mrs Catterall and Miss McCarthy are learning assistants who are here to support you in the classroom and at break-time.

Mrs Arrand our Learning Mentor.

I started teaching about 10 years ago and love seeing the children I teach learn and grow. I can't wait to meet you and get to know what your favourite things are!

All about me.

I have a daughter, Olivia, who has just turned 5. She will be starting Year 1 in September just like you!

As a family we love baking (and eating!) cakes, going for walks and even a bit of yoga!

Interesting fact: For 3 years we lived overseas. We lived in Nairobi, Kenya for 1 year and Malta for 2 years. My favourite animals are elephants, this is the elephant orphanage in Nairobi which I visited a lot. In Malta we spent a lot of time at the beach, another thing we love to do.

Our School Values

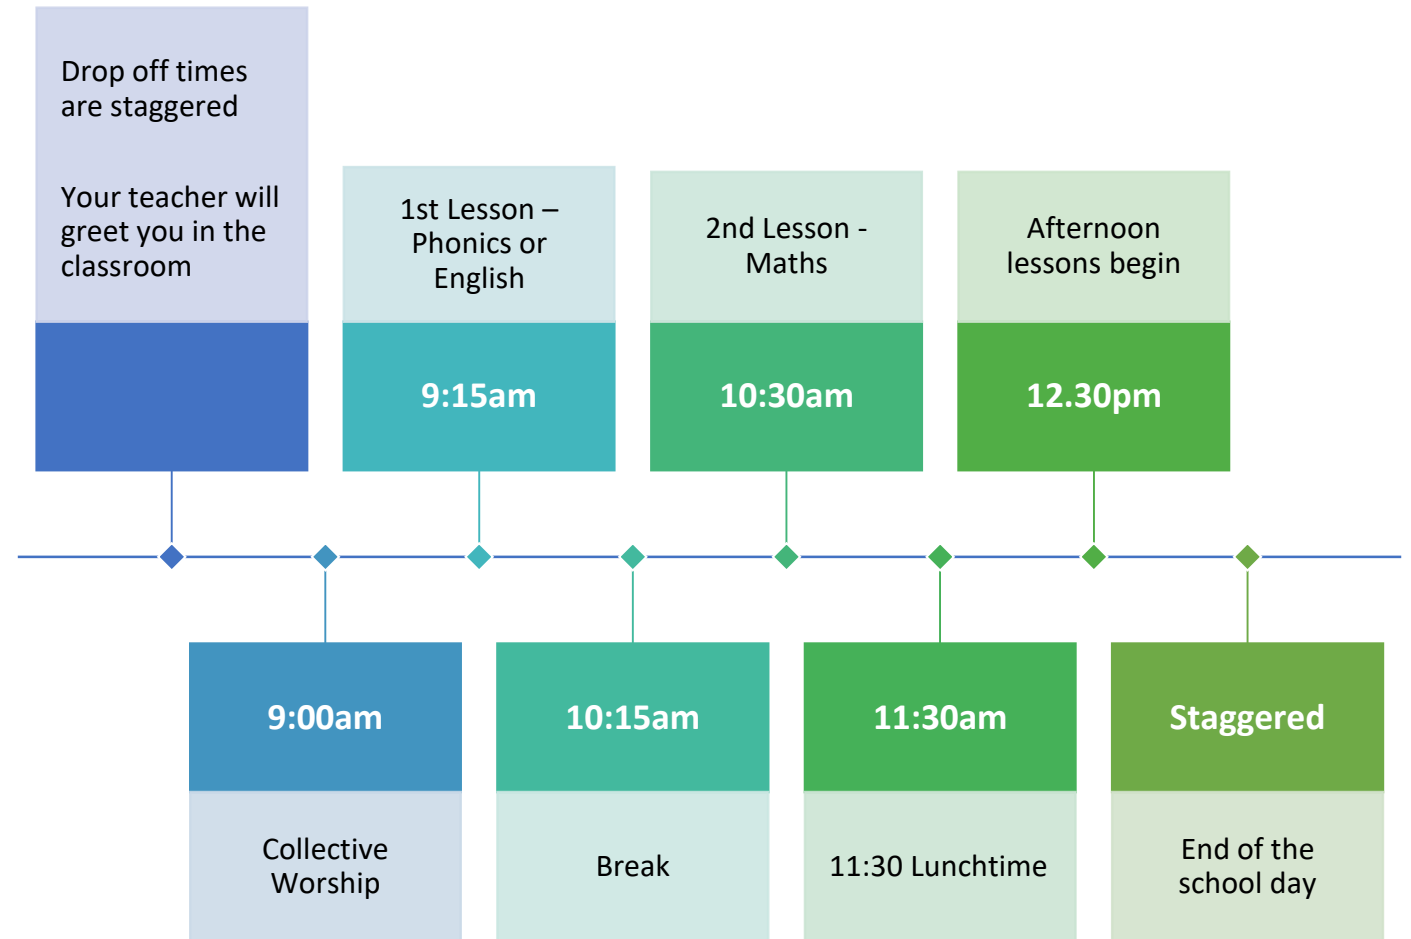

Rules and Responsibilities

At Cold Harbour we are:

- READY to LEARN
- RESPECTFUL towards everyone in our school community
- SAFE as we move around the building inside and outside

How is my school day organised?

What do I need to wear?

Come dressed smartly in your uniform.

Make sure everything is named

We will have **PE** on a **Thursday**.
On these days you will need to wear your PE kit to school.

What do I
need to
bring with
me?

Your lunch box
(if you are not
having school
lunch)

Wellies on
rainy days

A water bottle

A coat - you will
need this every day

In the Autumn Term our first topic will be...

Fire! Fire!

We will be learning all about the Great Fire of London and will enjoy a fantastic story book where the main character, Vlad, takes us on a journey through London during that time.

We will explore colour in Art, mixing colours in different media to create fiery scenes and we will sing songs together!

You can also become a firefighter in our very own Fire Station role play area!

There will also be opportunities to explore our KS1 outdoor area.

The rest of the year will be full of exciting topics to continue your learning journey, we can't wait to share them with you.

What will I need to do for homework?

Read to someone at home at least 4 times a week.

Practise your firm facts such as number bonds.

Y1:2 Every time you read each word without asking for help you can colour in a smiley face. When you can show your teacher that you can read these words confidently, at speed and in different orders you will get five new words!

Continue learning to read the words in your word book at speed.

Practise spelling using fred talk.

How can I prepare myself during the holiday?

Keep working on your independence to do things for yourself e.g. peeling fruit, opening packets, dressing and undressing.

Play games with numbers.

Write cards and postcards to friends and family

Take part in summer reading challenges to keep your reading going.
