18th October 2019

Dear Parents and Carers,

It has been an exciting week here at Cold Harbour. I would like to thank all of you who attended your parents' evening appointment. I spoke to many parents over the three evenings and the feedback was overwhelmingly positive – thank you. Senior leaders are always available at the start and end of each day so if you do have any questions or concerns, please come and speak to one of us. If you were unable to make your appointment, a member of school staff will be in contact with you next week to rebook this with you.

I am delighted to report that the school hall is now back in use after some emergency repairs were completed last week. This week we have been able to use this vital space again for assemblies/ lunches and PE, including the harvest assembly, which was led by Year 6 pupils and our friends from St Mary's Church. I know that many parents have been missing our weekly celebration of the Star Learner, which for obvious reasons we have had to put on hold. Today was our annual photos day so again the hall has been needed for this but I am pleased to say that from next week this celebration assembly will be back and will continue each week from this point forward.

Letters have been sent home which outline the agreement for the usage of ClassDojo, which I know many of you are keen to see return at school. The pupils have been receiving dojo's over the past few weeks and we are now ready to add parents to the classes. Once the signed agreement has been received back at school we will send you a code, which will allow you access.

Many thanks for your continued support

Rob Morley-Smith
Head of School

Dear God,

We thank you for all the gifts of ripened fruit and vegetables
you give to us at Harvest time.

For the bread and the cereals on our table every day
and for all the other good things we have to eat.

Help those who are less fortunate
and grant us all your peace this day and for evermore.

Amen.
