25<sup>th</sup> October 2019

Dear Parents/Carers,

The children have had an exciting day here at Cold Harbour at the end of a long half term. They are all really looking forward to their half term break. Many parents have asked us about things they can do over the break to support their children. We recommend keeping the children reading at least 4 times per week, more if you can, and practising their times tables for a few minutes each day.

Many of the Year 4 children have spent the last few days at Caldecotte on a residential visit. They behaved really well and the representative from the centre spoke to me personally to explain what a pleasure the children had been during their sessions. I would like to thank the staff who organised and accompanied the children on this trip, without their hard work these experiences could not happen.

Today many of the classes have had their first class treat as a reward for their behaviour throughout the term. The classes have been earning class points to work towards a reward which was decided democratically with a vote. We believe it is really important to reward the children who consistently behave well and they are already looking forward to the next events which will be decided after half term.

As always, members of staff are available at the start and end of each day to talk to parents and answer any questions. Can I take this opportunity to wish you a fantastic half term holiday and I look forward to seeing you in the week of the 4<sup>th</sup> November.

Many thanks for your continued support.

Rob Morley-Smith  
Head of School
